## Sectional Tests

Each full mock test (CFT001-CFT030) contains three sectional components that can be attempted separately for focused subject-wise practice.

Subject	Tests Available	Questions Per Test	Total Questions	Marks Per Test
Physics	10	25	250+	100
Chemistry	10	25	250+	100
Mathematics	10	25	250+	100

Note: Sectional tests follow exact JEE pattern with MCQs and numerical value questions. Attempting sectional tests helps identify subject-wise strengths and weaknesses.

## Topic-wise Practice Tests

Focused practice tests designed for chapter-level mastery. Available throughout your preparation journey.

Subject	No. of Tests	Coverage	Total Questions
Physics	15+	All chapters from Class 11 and Class 12	225+
Chemistry	15+	Physical, Organic and Inorganic Chemistry	225+
Mathematics	15+	Algebra, Calculus, Coordinate Geometry, Trigonometry	225+
